Hi Anna- See below. BNA has a question about formaldehyde, due at 3:30. Maggie already asked for an extension, but let me know if we can pull this quickly.

Thanks,
Megan

Hi there - Pat Rizzuto sent the below question and her deadline is 3:30pm. Can we put together a response?

Inquiry:

What's the status of the IRIS assessment of formaldehyde? In December Sen. Markey asked the agency to release that document, and his office says he hasn't heard back from the agency. (Probably due to the shutdown).

Deadline 3:30 p.m.
